

Virtual Apéro

Virtual Apéro with... Marc Checkley and L'Atelier du Fromage!

Streaming on Facebook LIVE at [Drink Moi](#)
on Friday, 13 November at 19h00

Join us and wine professional Marc Checkley for an interactive Facebook Live Wine and Cheese event featuring our New Apéro Box!

We will taste the artisanal cheese and wine that we discovered on our road trip through Valais. We carefully selected these artisanal cheeses from a Swiss Cheese Award winning fromagerie located in the mountains of the Simplon Pass.

Marc will guide us through:

- Tasting the wine and artisanal cheeses of our Apéro Box featuring Valais
- Learning the basics of wine and cheese pairing
- Storytelling – Marc's incredible knowledge about Valaisian wine and cheese – and of course, our road trip adventures with L'Atelier du Fromage!

Order your Apéro Box [here](#) - or join the virtual apéro with any of your favorite cheeses and wine!

See you there on Facebook LIVE, Cheers!
